

Ground-breaking Ceremony for Phase III of the Lingyen Mountain Temple Expansion Project

Lingyen Mountain Temple is pleased to announce that after more than a decade of planning, hard work, and contributions from many, Phase III of the Temple's expansion project will break ground this spring. You are invited to this auspicious event! Come join us and many Venerable Masters for this historical moment in Lingyen Mountain Temple's journey of compassionate salvation.

May the merits and blessings from this event bring peace and joy to all corners of the world. Let us pray for a successful and expeditious completion of the new Temple. The new facilities will enable more sentient beings to immerse in the compassion of Amitabha Buddha and embark on the journey of Buddhahood. We look forward to celebrating this important milestone with everyone.

A new Temple will help society rediscover inner peace and happiness for many generations to come. Your continuous support and contributions will help us turn this dream into reality.

Grand Meng Mountain Offering Service

After the ground-breaking ceremony, we will host the Grand Meng Mountain Offering Service in the evening from 4:00PM to 8:00PM. The service will help to transfer the auspicious merits to all sentient beings in the Ten Directions, hoping them to end sufferings and gain happiness. May all the living sentient beings accumulate blessings; may all the deceased be reborn in the Western Pure Land. We will also hope to pray for the peace of the world, the prosperity of Buddhadharma, and the comfort of the sentient beings.
