

Guan Yin Dharma Service

Please join us for the Guan Yin Dharma Service to commemorate the day when Guan Yin Bodhisattva left home-life to become a monastic practitioner. We pray that Guan Yin Bodhisattva, with her thousand eyes and arms, will shine upon and protect us, raining sweet dew on all sentient beings in the Dharma Realm. May all participants embark on the journey that begins with the cultivation of blessings of the human and heavenly realms, and ultimately leads to the attainment of Buddhahood.
